The Association of Archaeological Illustrators & Surveyors

Technical Papers

The AAI&S publishes a series of papers dedicated to the techniques of illustration and surveying. Each one addresses a specific material or technique. The Association offers the papers at concessionary rates to AAI&S members, and to members of certain other organisations where special arrangements have been made.

Technical Paper no. 8

Recent Research in Archaeological Footwear

In association with the Archaeological Leather Group
Ed. D E Friendship-Taylor, J M Swann and S Thomas (1987)

This publication constitutes the proceedings of the 'Recording Shoe Finds' seminar at the Museum of London in 1985. It was organised to publicise the methods pioneered by Olaf Goubitz, conservator and restorer at the State Service for Archaeological Investigations in the Netherlands. Other important research included in the seminar is published more fully in this technical paper. 49 pages, 45 figs, 2 plates, A4 ISSN 0950 9208
AAI&S and IFA members £3.50 + 60p p&p
Non-members £4.00 + 60p p&p

Technical Paper no. 9

The Illustration of Lithic Artefacts:

A Guide to Drawing Stone Tools for Specialist Reports

Joint publication with the Lithic Studies Society

A Saville and H Martingell (1988)

This paper is intended to serve as a guide to illustrators who are not themselves lithic specialists, but who are preparing drawings to accompany lithic reports. It is hoped that an illustrator turning to flint or stone artefacts for the first time will be helped by these guidelines. It is also aimed at lithic specialists and at those who may be involved in commissioning and overseeing the drawings for lithic reports. 30 pages, 32 figs, A4 ISBN 0 9513246 0 8
AAI&S and IFA members £3.50 + 60p p&p
Non-members £4.00 + 60p p&p

Technical Paper no 10

The Illustration of Excavated Window Glass:

Suggestions for Methods and Materials

S White and D King (1990)

This paper outlines the methods of handling and drawing excavated window glass for publication. 4 pages, 2 figs, A4. ISBN 0 9516721 0 X
AAI&S and IFA members £1.30 + 60p p&p
Non-members £1.50 + 60p p&p

Technical Paper no 11

The Illustration of Wooden Artefacts: An Introduction to the

Depiction of Wooden Objects from Archaeological

Excavations

S J Allen (1994)

This paper introduces the features which should be shown when preparing drawings of wooden artefacts for publication. A description of the structure of wood and the processes of preparing timber for use is followed by a discussion on methods of illustrating the resulting artefacts. 24 pages, 18 figs, A4. ISBN 0 9516721 3 4
AAI&S and IFA members £4.50 + 60p p&p
Non-members £5.50 + 60p p&p

Technical Paper 12

The Survey and Recording of Historic Buildings

D Andrews, B Blake, M Clowes and K Wilson (1995)

The articles included in this paper discuss the processes, applications and methods developed on certain projects by English Heritage staff. The paper is aimed at readers with some knowledge of building survey, but who would welcome additional information on work in progress. 35 pages, 12 figs, 10 plates, A4. ISBN 0 9516721 5 0
AAI&S and IFA members £6.00 + 60p p&p
Non-members £7.50 + 60p p&p

Technical Paper 13

Aspects of Illustration: Prehistoric Pottery

S Goddard, D Knight and J Goddard, S Hamilton and S Rouillard (1997)

The articles presented in this paper discuss ideas of style and presentation for prehistoric pottery. These ideas were originally presented at a joint meeting of the AAI&S and the Prehistoric Ceramics Research Group in 1992. 28 pages, 18 figs, A4. ISBN 0 951672 8 5
AAI&S and IFA members £5.50 + 60p p&p
Non-members £7.50 + 60p p&p

Archaeological Reconstruction: Illustrating the Past

(Joint publication with IFA)

J Hodgson (2001)

An overview of the pictorial representation of archaeological sites. 18 pages, 16 figs (colour and black-and-white) A4. ISBN 0 948393 17 3
£5.00 + 60p p&p

Also available:

Technical Papers 1 - 7

These papers, published between 1979 and 1986, cover a range of subjects from preparing pottery illustrations to computer aided draughting. Although the papers are now out of print, they are here collected as photocopies available in a ring-bound folder. Please contact AAI&S Central Mailing for further details.
